What's Happening:

It was a great holiday season! We celebrated by rocking our ugly Christmas sweaters. Incisor showed up and caused some mischief. He made sure everyone was on their best behavior so they could make Sant's "nice list" this year. In case you missed it, you can see all Incisors' adventures on our Facebook page (<http://www.facebook.com/dakotasmilesfm>)

We are very thankful for our patients and our community who have supported us over the years and we are proud to be able to give back to this wonderful community. This year we have partnered with Ronald McDonald House Charities of the Red River Valley to help them reach their goal of building a new house! This house will provide a much needed place to help keep families close when they have a critically-ill child. We look forward to the opportunity to serve and support this community in the years to come.

Keep on the lookout for fun contests or drawings we will be having within the next few months! Facebook has been a great way for us to interact with our family of patients. We look forward to another fun year! Please join us online and "like" our page.

As the beginning of a new year starts, we want to remind everyone that most insurance benefits reset in January. That means for those of you waiting for new benefits to schedule, the time is now! Call our office to schedule your appointment today! (<http://www.facebook.com/dakotasmilesfm>)
